**EXECUTIVE COMMITTEE
RECOMMENDATION**

SR-02-03-(5) 35 EC

Recommends that the Faculty Senate, the University President, and the Marshall University Board of Governors support an enhancement legislation on SB653 which re-instates the voting memberships on the WV Higher Education Policy Commission for faculty, classified staff employees, and students.

RATIONALE:

1. Any policy established by the HEPC concerning academics must be carried out by faculty and classified staff. It has an impact on students. At present, representatives of faculty, classified staff, and students have no voice on the Commission following the enactment of SB653.
2. The HEPC was created by legislation. Faculty and state employees in higher education are not permitted to serve in the legislature.
3. Members of HEPC are appointed by the Governor and they appear to come from various constituencies (business, labor, coal, health sciences, etc...).
